

The Best Lawyers for You?

When someone needs a divorce or family lawyer, it is different. It is personal, and involves your entire life.

The attorneys at Raggio & Raggio have over 125 years of experience, and have been recognized by their peers for inclusion in The Best Lawyers in Dallas, The Best Lawyers in America® and as Texas Super Lawyers, as shown.

Building on the tradition of the firm's founders Grier Raggio (deceased) and the legendary Louise Raggio over 50 years ago, the firm strives to provide sensitive, appropriate advice and effective representation to those in a divorce, child custody, or other family law matter.

The firm's web site www.raggiolaw.com contains a wealth of relevant information about Texas divorce and family law. Many clients hire us after reviewing the web site. Feel free to peruse. Call us if we can help.

Tom and Ken Raggio are certified specialists in family law by the Texas Board of Legal Specialization.
